Ceramic Enamel Cavity

Ceramic enamel cavity has superior 99.9%* anti-bacteria capability, ensuring a hygienic cooking environment. It is also scratch-resistant and anti-rust, and the glazed surface makes cleaning easier than ever.

Skid-Proof Feet

Friction enhanced rubber feet ensure a stable and safer usage when opening or closing door of the microwave.

Position Memory Technology

With innovative position memory technology, the turntable will reset to its initial position every time your dish is ready, for safer fetching and burned-preventing.

Crispy Grill

Enjoy tasty barbecue meals in a smoke-free environment. Open up a new option of home-cooking with only a touch on your microwave. Experience the grilling with barbecue-styled flavor – crispy outside, juicy inside.

Innovative Combi Cooking

Prepare your culinary masterpiece with our innovative combi cooking – the perfect combination of microwave and oven, satisfying the picky tongues with impressive delicacies.

Convection Cooking

The convection function provides remarkable results in baking and broiling, making a perfect chiffon cake will not be a challenging work anymore. Fan-assisted heat circulation gently wrap the food with hot air, for faster and more uniform cooking.

Healthy Air Fry

Less Oil, Low Fat but Still Crunchy

With advanced air fry technology, you can enjoy fried food in a healthier way without scarifying the joy of crunchy taste. Little drops of oil is needed for the whole air fry progress as the powerful hot air from convection fan and heating elements circulate around the food and create a crisp crust.

Larger In Capacity, More Compact In Size

By re-structuring the components of the W3 series microwaves, we successfully reduced the sizes of the bodies, while magically increased the volume of the cavity.

Stainless-steel Cavity

Equipped with high-quality stainless steel cavity, cleaning is made a breeze. The residue and grease can be wiped easily with a damp cloth.

Express Cooking

Start cooking at max power for 30s or 1-6 minutes with one touch.
